DONIPHAN, MO., NOV. 24, 1906.

*********** · Political Pot-Pourri. ·

The Tammany tiger may be never tamed.

All the New York candidates gave it to them immediately.

The Czar has decided to "grant" Russian people every think he cannot prevent them ray and Circuit Clerk Will Mabfrom taking.

At the next election, Mr. Jerome will probably have no difficulty in getting on "any tieket" he chooses.

Philadelphia's filtration plant will be alright, if the water goes through it in the future, as easily as money has in the past.

"Japan is becoming Democratic" says a Tokio writer. Well, Mr. Bryan has been in the neighborhood for a couple of weeks.

The first session of the Fiftyninth Congress will convene a week from next Monday. Trouble will then begin for the Republi-

Wouldn't it have been a joke on the insurance companies, if Col. Bryan had been elected in 1896 or 1900, in spite of their

This announcement that eighteen women are bank cashiers in Iowa is a little surprising. We supposed they would rather be

Another Oregon congressman has been sentenced to jail. Oregon seems likely to be more prominently represented in the penitentiary than it is in con-

It is going to make a severe draft on Russia's supply of free speech when the Finns and Poles start in to unload their thoughts that have been suppressed for years.

Investigation shows that while the typhoid germ was killed by Philadelphia's filteration plant. something like \$7,000,000 worth of political microbes got into the

"Come closer" said the Presiis getting closer to the southern every day.

the "West Virginia," is not likely to have any qualms when it comes to a little railroad rate campaign.

Secretary of the Interior Hitchcock, may not be the most popular man in the Cabinet, but hehas stood in the way of more grafters and schemers than all his portfolio associates.

President Roosevelt expects to win his victories from the coming congress with the aid of Democratic votes, and does not intend to depend upon his party followers to accomplish the results.

President Roosevelt will win his fight for a rate revision law, in so far as the Senate Committee

be found in the statement of the in another column of this Issue, columns on this page of the DamoCRAT. Both institutions show fant comparatively, speaking, being less than a year old as an tions, and both are carefully incorporated institution, and its handled in excellent business age does not exceed three years, as conducted formerly, it shows

Tays.

That he'd "never trade another dellarat Resurs & Sawbuck's store!"

He kept himself still busy, but his dollar's spent at home, and that man grew wiser when his money seemed to room;

And when he stopped his trading at Rears & Sawbuck's store!

He was much the happier for his money religious more.

Additional Local.

county in the last few years, can Doniphan State Bank, published financial condition of the banks is another evidence of the inof this city, published in other crossing wealth of Ripley County. That he'd "nover trade snother dollar at

n gratifying increase in its reources and the volumn of business it is doing. It is a carefully managed institution, in good hands and the interests of its patrons are always conserved in the most business like manner.

The Republican, the new paper to be issued by Tunie Vise, will be gotten out next week for the first time. The outfit is to be moved to the old frame building opposite Malugen's livery stable, on Grand Avenue, the County Court having notified Mr. Vise promised the voters free gas, and ton this week attending a meet- that the room in the basement of ing of Groupe 6, of the State the court house, wherein the outfit has heretofore been located, could no longer be used for that purpose, as the new insurance rey went to the Bluff last Friday policies, obtained during the reent session of the court, forbade the use of the basement for such risks.

The December Magazines.

the remainder of the magazine is very is represented by "An Ogre's Fenants," by Owen Oliver; "The Burgiar's Christmas Gift," by Clara Morris; "The Queen of the Unwise Men," by Tomple Bailey; "A Borrowed Christ-mas," by Mary Wilhelmina Hastings; "The Man Who Gained the World," by tells how John D. Rockefeller colebrates the day; and two articles emborately Royalty Celebrates Christmas," and of "Christmas Charities of the Great Cities." Mrs. Sangater's talk "Concerning Christmas," and useful articles on handmade gifts, leather tooling, Christmas cockery and Christmas tables give the number additional holiday value. Published by the Crowell Pub-

WHAT'S IN M'CLURE'S?

One function of the up-to-date magazine is to reflect the moving spirit of the time, and this is the striking thing about the December McClure's. As befits a holiday number, it is filled with good, strong fiction. There is a Jack shack for a blacksmith shop, London story, one of his best, and six across the railroad south from other short stories; but first in imshop and make horse-shoeing a specialty. Steve is a good worknan and a good fellow, too.

Landlord Dudley, of the Grand

unational oracle, cool, incluive, unerring, fixes the piace of Folk in national affairs. He tells of his great accomplish-

and convenience of his guests, and he says he still has further improvements up his sleeve.

A. L. Hinchey, of Grandin, Attorney Chas. Luster, jr., of Grandin, Attorney Chas. Luster, jr., of Jack London's "Love of Life" is a were through.

Rev. H. D. Maness and Neely Moore returned yesterday noon stories by Jean Webster and Adeline

lifting the lid from Insurance in New York, and a critical estimate of Christ-ianity in practice. "The Final Test of ianity in practice. "The Final Test of Christianity," by the Rev. Charles D.

Home vs. Mail Order.

A friend of the DEMOCRAT who thinks it a part of every person's duty to patronize the home merchant instead of mail order houses in the cities, handed us the following:

he was wonderous wise; He marked a silver dollar and he gave it all to Lize; She went to see the butcher, and there she blew it in-
